## PIEDMONT MUSIC ACADEMY

Since 2014, Piedmont Music Academy, a 501(c)3 organization, has existed to meet the needs of home school students in the greater York County South Carolina area. Our purpose is to support home school families in the musical education of their children in a caring and creative environment.

PMA offers band, strings, choir, music theory and a summer camp each year. The value of music education for all students has been well documented. View a short video (1'32") on some of the numerous benefits:

In an effort to keep tuition low, offer tuition assistance, cover operating costs, pay quality instructors fairly, and provide necessary supplies, we need the support of patrons.

## Benefits of Corporate Sponsorship

- I. Supporting the Academy
- II. Company name & logo in the slide show before 2025 PMA Spring Concerts
- III. Company name listed in the concert program and on the PMA website.
- IV. Receive a tax deduction letter.
